## **GOD'S SOUL GUARANTEE**

\*\*\*\*

***Congratulations!*** You are a living soul. Your soul was given to you through the love and grace of God, the Maker of everything.

Upon birth of each soul, a Guarantee, known as the ***“Holy Spirit”***, and an Operations and Service Manual, known as the ***“Bible”***, are made available. This constitutes the only remedy for the Receiver, and the only (*self imposed*) liability of the Maker.

Your soul is issued in accordance with the promise of God, found in His Operations and Service Manual.

Each person is issued only one soul in a lifetime. Therefore, it is strongly suggested by the Maker that you keep your soul serviced and in good working order at all times. Proper maintenance procedures can be found in God's Operations and Service Manual. The lubrication used in your soul must be that of the most supreme quality. Therefore, it is ***mandatory*** that you use the precious lubricating blood of Jesus Christ, the Son of the Maker. This lubricant is also issued free. Without this supreme lubrication your soul will suffer irreparable damage and this guarantee will automatically become void. God is not liable for any soul who has rejected His Son's supreme, precious lubricating blood.

Your soul has been styled and engineered to offer maximum satisfaction, ***only*** if properly maintained.

Because your soul was issued free of charge, it will be carefully inspected, and undergo a quality and performance test by the Maker each day. Please keep it clean, serviced and ready for inspection at all times.

The Maker gives the Receiver full charge of their soul and the right to do with it as they wish. The Maker wants the Receiver to remember, however, that at the end of your soul's stay on earth, it will be inspected by the Maker to determine your future destination. If you have followed the rules set forth in the Operations and Service Manual, by accepting Jesus Christ, the Son of the Maker, as your personal Savior, then you shall live a joyous eternal life with Jesus. However, if an alien lubrication has been accepted and used in your soul, then you shall be separated from Christ forever - eternally dying, but never able to die. This hellish state of existence is without recourse to God. ( Life's normal wear and tear of your soul is accepted)

The rules and regulations concerning the soul which are found in God's Operations and Service Manual are exclusive and in lieu of all other warranties or representations whether expressed or implied.

Be it therefore understood that as soon as the person that received the soul is through with it, on this earth, it shall be either reclaimed by the Maker, if the individual accepted the Son of the Maker as his personal Savior, using his mandatory precious blood lubrication, or the soul will be discarded by the Maker if an alien lubrication has been used. This decision can only be made by the Maker, as He is the only one who can judge the soul. No other laws or judgments are acceptable under the rules of this Guarantee/Operations and Service Manual. Only the judgment of the Maker is acceptable.

Again, congratulations on your soul. I pray that you use and care for it well.
