21st Century Civil War Victory

1861 ushered in an era in our country that proved to be the most horrifying and devastating period (thus far) in our country's history. It was the beginning of the Civil War in the United States of America. The Civil War Pit Brother against Brother - Father against Son - Mother against Daughter - Student against Student. True Civility was covered by **Hatred - Distrust - Anger and Pride**. Along with many other ungodly action coverings, our Civil War was anything but Civil. More Americans died during this war than died in all our foreign fought wars combined to date.

Today, America is witnessing the emergence of another Civil War. But this time, it is not a war between two armies who both declared that they were fighting for a Country they dearly loved. The battle lines of this **21st century Civil War** are drawn between two ideologies - **LOVE AND HATE**. The American Patriots declare their most Ardent Love for **God - Flag - Freedom and the Rule of Law**. The enemy of Hate is made up of Anarchists with an - **anti-Knowledge - anti-Christian - anti-American ideology** that sinks to the bottomless pit of Hell. Their obvious Ignorance concerning True History and the True American Dream is on full display. They have one goal - The destruction of America.

Wake up America.
Our homeland is under attack.
Our children are dying in our streets.
Our Freedoms are being compromised by our own In-Actions.

Our only hope for victory is an activated "**CHRISTIAN ARMY**" of God. But sadly, we find that army fast asleep in the pews of our Church-Complacency. Within our churches, we witness that - **Compromise - Laziness and Spiritual Corruption** have re-placed **Concern - Commitment and Christian Convictions**. Those convictions used to "**March in our Lord's Army**". Only from within can America be destroyed. We are witnesses to the beginning of that destruction. We will either stand against the enemy consumed by Pride - Hatred - Greed and Immorality - **OR** we will be defeated by that enemy. Here is a Biblical Fact for us to seriously ponder.

"The American Christian Army cannot win this active war If we do not show up to fight!"

In each generation there have been men and women willing to join the **Army of God** to fight the battles necessary to defend a God-Fearing America. Such warriors believe that Freedom comes from God and is not to be denied to anyone seeking it. Only when the **Individual Christian** Re-activates their Convictions and Commitment to their Savior, will you witness through your very Soul "**Victory**" as **GOD BLESSES AMERICA** again.
