

## Lend a Hand and Express God's Heart

The Bible tells us that God has set our path in life before us. That path can only be traveled by the individual for whom God designed it. All the good, bad and ugly experiences each of us encounter on our individual path must be viewed as **God Designed** or **God Allowed**. Therefore, as Christians, we are faced with the responsibility of meeting those experiences head on. It doesn't take but a few short steps on our individual path of life to realize that many of our experiences end up being road blocks. It then seems that we spend much of our life trying to get around those bad conditions. Perhaps our main problem is not in the road block at all, but in our attitude towards it. Our Lord sent a message to the Hebrew Nation that they were "**A Stiff Necked People**". Too Proud - Too Stubborn - Too Self-centered.

Even though our path in life can only be traveled individually, it does not mean that we must travel it alone. Jesus said that He would never leave nor forsake us. So He established His **Human Representative Body** on earth for us to look to for help in times of need. That Body is His **Earthly Church**. Each Christian is charged by God to "**Be our Brother's Keeper**". That's part of our responsibility while on our individual path of life. Don't be Too Proud - Too Stubborn or Too Self-centered to "**Lend a Hand and Express God's Heart**" to your fellowman. That's called being in service for our Lord. The particular path of life that each of us are on is not an easy path to navigate. God knows that, and that's one of the reasons that Jesus established His Church. It is made up of individual Christians on a mission to help one another and lead others to Christ. Sadly, somewhere along the way many churches lost that vision. When I speak of churches, again I speak of individual Christians uniting together, representing the **Human Body of Christ**. **There-Fore**, we must understand what we are **Here-For**. We are here on our individual path to serve one another - which is the highest calling for a Christian.

Our country is in a great need for servants. Don't you think God knew what was going to be happening on our individual path of life? So obviously we are here - at this time in history - for His purpose. Individually, we must seek Gods direction through prayer.

**"Father, what can I do to make a difference for Your Glory"?**

As He gives the answer to us as individuals, then we must unite together as the...

**Body of Christ**

**"HIS CHURCH"**

**and**

**Together We Serve with Power**
