

**LARRY VANCE, PASTOR
VINE GROVE BAPTIST CHURCH**

I realize that a lot of individuals are experiencing a high state of anxiety due to the “**Coronavirus Outbreak**” throughout our country. It should certainly be a time of concern and astute awareness surrounding our individual spaces in which we commute and live. All responsible individuals - believers and non-believers alike - should look to common sense and basic reasoning when being around others. For my Church Family and all others who are a part of the Body Of Christ, I will be delivering a special sermon this Sunday, March 22, at 11:00 A.M. entitled “**SEEING THE LIGHT OF HOPE THROUGH THE “CORONAVIRUS” DARKNESS**”. (Outline Provided) The following venues are available for joining us without leaving the safety of your own home:
