

PASTOR'S LESSON TO LIVE BY

AWESOME GIFTS

God has blessed each of us with multiple awesome Gifts. I suppose I should point out the most obvious first. The **Gift of Life**. Whether you are in the frame of mind to accept your gift as truly a gift from God, or, as a burden from hell - will not change the fact of your human existence, and that it is **God's Gift** to you. You need to accept your responsibility for what you do with that Gift. Each individual is commonly born with five physical senses. **HEARING - TASTE - SIGHT - SMELL** and **TOUCH**. We will also witness, through personal experience, the movies, written stories and word of mouth testimonies, the portrayal of the unseen power of what is called the **SIXTH SENSE**. Also known as **ESP** or Extra-Sensory-Perception. It's the psychological feeling to perceive something that is not apparently there, But, "You Just Know". Most people who have long associated with life, good or bad, can relate to this invisible sense.

BUT, far too often we forget about Man's **Spiritual Gift** - another gift given by the Grace of God. No one can see **His Spirit**, but those who **Accept Him**, recognize and **Know His Spirit**. This too is a gift. We have been so blessed by our Creator that the ability to **Receive Spiritual Love** from Him and **Return Spiritual Love** through the **Same Spirit**, is only granted through the human experience. Yes, we can **Hear and Relate** to our **Savior**, and **He** will **Hear and Relate** to us. Actually, those are **Multiple Gifts** that none of the rest of creation can experience. In fact, it is impossible to ever be able to list all the Gifts that God has blessed to be part of each individual life. Each gift is unique to the individual. So our focus should be on the fact that **God So Loves us that He sent His only Begotten Son as The Gift Who continually gives**. Now that's what I call The Awesome Gift of Gifts! Through God's Son Jesus, whosoever believes is even given the **Gift of Salvation** by Grace through Faith. Everything and Every Hope for our survival in this human life, and our Glorified Life Everlasting, is a Gift from God in His Son's Name. You and I have not earned any of God's Gifts. We have even been promised the Gift of the Resurrection of this human body from the grave, into a Glorified Body, just like Jesus. Frankly, there are not enough known words to name all of God's Gifts to His Creation, especially the human race. So just be thankful and use your God given Gifts to Glorify Him. **"Yes, You Are Awesomely Special"!**
