

PASTOR'S LESSON TO LIVE BY
Let Freedom Ring Once Again!

It would be easy for us to place the blame for the problems of our country on the President, Congress, or any elected official, when in actuality the real problem is with **“we the people.”** You see **“we the people”** are the government of the United States of America. According to our U.S. Constitution, it is **“we the people”** who set about to form a more perfect union. We call this “more perfect union” DEMOCRACY - a government of the people, by the people and for the people. In our democracy **“we the people”** hire political representatives to watch after the day to day operations of any government function. As I look at our form of government, it is obvious that our elected officials are **“hirelings”** of **“we the people”**. One of the greatest problems with **“hirelings”** is that they don't hold near and dear their responsibility to protect what our founding fathers of democracy **“we the people”** hold dear. In this case it is the **Constitution** of the United State of America and our **Declaration of Independence**.

Listen to Jesus' statement concerning the heart of the **hirelings**.

“He flees because he is a hireling and cares nothing for the sheep.” John 10:13 RSV.

Our constitution and independence have been trampled under the feet of the **“hirelings”** who are not the government of the United States of America, but mere **“hirelings”** of the government - **“we the people”**. When such a rebellion takes place, it is called a **“(KŪ) COUP D'ÉTAT”**. As defined, a **coup is the sudden decisive exercise of force in politics to overthrow or cause an alteration of a existing government by a usually small group of persons in or previously in positions of authority.** The question is what do **“we the people”** - government of the United States of America do to stop the completion of the **“hirelings”** attempted **coup**?

In order to stop the **“hirelings”** from overthrowing our freedom, **“we the people”** need only to look to the constitution of God which declared all men free. The answer is in 2 Chronicles 7:14. **“If my people”**. - He is talking to **“we the people”**. In that one verse God gives us the answer as how to stop an attempted **coup** by the **“hirelings”** of **“we the people”**.

Lets look at it this way...

“If my people”, “we the people”, will humble ourselves, pray, seek His face and turn from our wicked ways, He will hear from Heaven, forgive our sins and heal our Land.”

The conclusion is: **“If my people”** - **“we the people”** refuse to return to God's constitution, then the government of **“we the people”** will be destroyed by corrupt **“hirelings”** who simply don't care about **“we the people”**. As one individual, I can do very little to change the course set by the attempted **coup** of corrupt **“hirelings”**, but together **“we the people”** - God's - **“if my people”** have the answer to **“heal our land”**.
