

PASTOR'S LESSON TO LIVE BY

WHATEVER BECAME OF CIVIL AMERICA?

Since the day of my birth, I have always lived in the United States Of America. It was only during my time in the Marine Corps that I experienced life outside the U.S. It didn't matter which country I visited, I was always excited to get back Home. We know and understand that *"Home is where the Heart is"*. Well, *my heart is in the America*. I knew while growing up and fought for as a young man.

- * **The America that offered freedom and justice for all.**
- * **The America whose Government provided protection against all enemies, foreign and domestic.**
- * **The America we Combat Veterans fought for in every war.**
- * **The America that offered such an opportunity for success that the world calls it "The American Dream".**

Millions of freedom seeking individuals from foreign countries, have had such a desire to become a part of this nation that they waited and studied for years to legally become an American Citizen. Today we are witnessing the attempted destruction of the **"American Dream"** which guarantees the destruction of "Middle Class America". This destruction and chaos is caused by illegal and lawless acts by individuals - Domestic and Foreign. Their main support comes through the power of the **Elite Class** within our society to include our Government. Millions have stormed the gates of our Nation to steal and thus destroy the dream that the world desires. Sadly, we are watching our dreams of Peace, Security and Success as a great nation - **not so slowly** - dissolve before our very eyes.

Each of us must not only open our eyes and ears to what is going on around us, but open our mind to the obvious cause. There is only one group in our society that has the **Will** - the Financial Means and the Evil desire to cause our nation to fall into the "Black Hole Power" of Communism. No, it's not the Liberal Democratic Party - **but some**. No - it's not the Conservative Republican Party - **but some**. No - it's not the Independents - **but some**.

The greatest enemy against **Freedom** and the **American way of life**, is the group that hides in the shadows of all the Evil and Chaos we are experiencing. This group is special. Their membership is made up of self-serving, evil minded individuals from each Political Party and Large Corporations. They slither behind the scenes of life like the spirit of the Anti-Christ and remain untouched by the Anarchy that threatens America. Their name is not **"Legion"** although their destructive power and Anti-American slogans are powered by the same spirit of Satan. The name of the enemy of **Free America** is - **"ELITEISM"**. This is the only group that always remains untouched by any adverse action taken against our Nation. The Anarchists are supported by them. The multiple abbreviated named Mobs and Rioters are nothing more than **Paid Assassins** contracted by them. And of course those "few I believe" Politicians make up the trigger group that provides the way for them to escape prosecution. Oh yes, don't let me forget about the **Corrupt** and **Fake News** Media that provides their Cover. The **"ELITESTS"** never worry. They simply thrive from the destruction of Civility. Until their created Frankenstein from hell turns on them - and they are affected by their own evil creation, the **Christian American Citizen** must stay strong, continue to **Salute our Flag, Pray** and **Worship our God**.
